GENEALOGY SUNDAY

Genealogy Sunday refers to the Sunday of the Holy Forefathers in Eastern Orthodox and Eastern Catholic Churches, celebrated the Sunday before Christmas, to commemorate Jesus' human ancestors from

Adam to Joseph, emphasizing His full humanity, God's redemptive plan through flawed people (like David, Ruth), and the universality of salvation, connecting personal family history with divine history. It's a time for reflecting on one's own roots and faith journey within God's grand story.
